Retractable Awnings for Decks and Patios

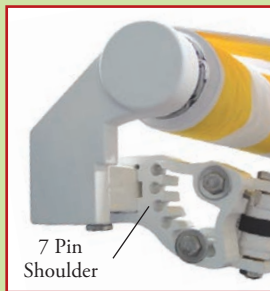

A FUTUREGUARD COMPANY

Add fashion and function to your backyard with a beautiful NuImage Retractable Patio Awning. With the simple touch of a button, you can extend your awning in seconds. The shade an awning provides can reduce the temperature on your deck or patio by up to 20 degrees. A NuImage Awning will also add equity to your home and will provide years of lasting performance and enjoyment.

7700 has a sleek front bar that may be fabric wrapped or unwrapped.

The durable extruded shoulder offers 7 pitch selections, making your desired awning angle easy to achieve.

Choose from a wide selection of motors and controls to make your awning completely automated.

Add an optional Weatherguard Cover to protect your fabric from the elements and dirt while retracted. Recommended for motorized awnings.

Wall Bracket

The awning may be roof mounted when wall space height requirements cannot be met.
